

Love Story (Taylor Swift)

Fill in the gaps with the correct past continuous form.

We were both young when I first saw you
I close my eyes, and the flashback starts
I'm standing there
On a balcony in summer air

See the lights, see the party, the ball gowns
See you make your way through the crowd
And say, "Hello"
Little did I know

That you were Romeo, you **were throwing** (throw) pebbles
And my daddy said, "Stay away from Juliet"
And I **was crying** (cry) on the staircase
Begging you, "Please don't go, " and I said

Romeo, take me somewhere we can be alone
I'll be waiting, all there's left to do is run
You'll be the prince and I'll be the princess
It's a love story baby just say "Yes"

So, I sneak out to the garden to see you
We keep quiet, 'cause we're dead if they knew
So close your eyes
Escape this town for a little while

'Cause you were Romeo, I was a scarlet letter
And my daddy said, "Stay away from Juliet"
But you were everything to me
I **was begging** (beg) you please don't go and I said

Romeo, take me somewhere we can be alone
I'll be waiting, all there's left to do is run
You'll be the prince and I'll be the princess
It's a love story baby just say "Yes"

Romeo, save me, they're trying to tell me how to feel
This love is difficult, but it's real
Don't be afraid, we'll make it out of this mess
It's a love story baby just say "Yes"

I got tired of waiting
Wondering if you **were** ever **coming** (come) around
My faith in you **was fading** (fade)
When I met you on the outskirts of town, and I said

Romeo save me I've been feeling so alone
I keep waiting for you but you never come
Is this in my head? I don't know what to think
He knelt to the ground and pulled out a ring
And said

"Marry me Juliet, you'll never have to be alone
I love you and that's all I really know
I talked to your dad, go pick out a white dress
It's a love story baby just say 'Yes'"

Because we were both young when I first saw you

Jealous Guy (John Lennon)

I **was dreaming** (dream) of the past
And my heart **was beating** (beat) fast
I began to lose control
I began to lose control
I didn't mean to hurt you
I'm sorry that I made you cry
Oh no, I didn't want to hurt you
I'm just a jealous guy

I **was feeling** (feel) insecure
You might not love me anymore
I **was shivering** (shiver) inside
I **was shivering** (shiver) inside
Oh, I didn't mean to hurt you
I'm sorry that I made you cry
Oh no, I didn't want to hurt you
I'm just a jealous guy

I didn't mean to hurt you
I'm sorry that I made you cry
Oh no, I didn't want to hurt you
I'm just a jealous guy

I **was trying** (try) to catch your eyes
Thought that you **were trying** (try) to hide ***
I **was swallowing** (swallow) my pain
I **was swallowing** (swallow) my pain
I didn't mean to hurt you
I'm sorry that I made you cry
Oh no, I didn't want to hurt you

I'm just a jealous guy, watch out
I'm just a jealous guy, look out, babe
I'm just a jealous guy

***** In the song, the lyrics are “thought that you was trying to hide”, but this grammatically incorrect. It should be “thought that you were trying to hide”.**

Out of Control (Rolling Stones)

I was out in the city
I was out in the rain
I **was feeling** (feel) down hearted
I **was drinking** (drink) again

I **was standing** (stand) by the bridges
Where the dark water flows
I **was talking** (talk) to a stranger
About times long ago

I was young
I was foolish
I was angry
I was vain
I was charming
I was lucky
Tell me how have I changed

Now I'm out of control
Now I'm out of control

Oh help me now

And the girls in the doorway
And the boys in the game
And the drunks and the homeless
They all know me

And the police on the corner
Give a nod and a wave
As they point me
To my final destination

I was young
I was foolish
I was angry
I was vain
I was charming
Feeling lucky
Tell me how have I changed

Now I'm out of control
Now I'm out of control

Oh help me now

In the hotel I'm excited
By the smile on her face
But I wondered
How was time gonna change her

I was young
I was foolish
I was angry
I was vain
I was charming
I was out there
Tell me how have I changed

Now I'm out of control
Oh I'm out of control

Now I'm out of control
Oh I'm out of control

Gypsy Woman (Brian Hyland)

From nowhere through a caravan
Around the campfire light
A lovely woman in motion
With hair as dark as night
Her eyes were like that of a cat in the dark
That hypnotized me with love

She was a gypsy woman,
She was a gypsy woman

She danced around and round to a guitar melody
From the fire her face was all aglow
How she enchanted me
Oh, how I'd like to hold her near
And kiss and forever whisper in her ear

I love you, gypsy woman
I love you, gypsy woman

All through the caravan
She **was dancing** (dance) with all the men
Waiting for the rising sun
Everyone **was having** (have) fun
I hate to see the lady go
Knowing she'll never know
That I love her, I love her

She was a gypsy woman.

I Didn't Know I Loved You Till I Saw You Rock And Roll (Gary Glitter)

Standing in the corner at the dance last night
I **was** almost **leaving** (leave) when you came in sight
You **were dancing** (dance) to the beat
Man, my head **was spinning** (spin) when I saw your feat

I didn't know I loved you till I saw you rock 'n' roll

You're my inspiration, you're my heart's desire
You really [Incomprehensible] rocking, set my soul on fire
Now I'm gonna spend my life
Rockin' and a rolling if you'll be my wife

I didn't know I loved you till I saw you rock 'n' roll
I didn't know I loved you till I saw you rock 'n' roll
I didn't know I loved you till I saw you rock 'n' roll

I didn't know I loved you till I saw you rock 'n' roll
I didn't know I loved you till I saw you rock 'n' roll
I didn't know I loved you till I saw you rock 'n' roll

Call Me Maybe (Carly Rae Jepsen)

I threw a wish in the well
Don't ask me I'll never tell
I looked at you as it fell
And now you're in my way

I'd trade my soul for a wish
Pennies and dimes for a kiss
I **wasn't looking** (not look) for this
But now you're in my way

Your stare **was holding** (hold)
Ripped jeans, skin **was showing** (show)
Hot night, wind **was blowing** (blow)
Where you think you're going baby?

Hey, I just met you and this is crazy
But here's my number, so call me maybe
It's hard to look right at you baby
But here's my number, so call me maybe

Hey I just met you and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me
But here's my number, so call me maybe

You took your time with the call
I took no time with the fall
You gave me nothing at all
But still you're in my way

I beg and borrow and steal
At first sight and it's real
I didn't know I would feel it
But it's in my way

Your stare **was holding** (hold)
Ripped jeans, skin **was showing** (show)
Hot night, wind **was blowing** (blow)
Where you think you're going baby?

Hey, I just met you and this is crazy
But here's my number, so call me maybe
It's hard to look right at you baby
But here's my number, so call me maybe

Hey, I just met you and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me
But here's my number, so call me maybe

Before you came into my life
I missed you so bad
I missed you so bad
I missed you so so bad

Before you came into my life
I missed you so bad
And you should know that
I missed you so so bad

It's hard to look right at you baby
But here's my number, so call me maybe

Hey, I just met you and this is crazy
But here's my number, so call me maybe
And all the other boys try to chase me
But here's my number, so call me maybe

Before you came into my life
I missed you so bad
I missed you so bad
I missed you so so bad

Before you came into my life
I missed you so bad
And you should know that
So call me maybe
