13

---

---

---

---

---

---

---

English is a **stress-timed language** and this means that only one individual syllable can be the most important part in a word.

14

---

---

---

---

---

---

---

To stress something in English, we:

- Make a longer sound
- Make a louder sound
- Use a higher pitch
- Make a clearer and more enunciated sound
- Use more facial movement
