Paint it black - The Rolling Stones

I see a <u>red</u> door and I want it painted <u>black</u>
No colors anymore, I want them to turn <u>black</u>
I see the girls walk by, dressed in their summer clothes
I have to turn my head until my darkness goes

I see a line of cars and they're all painted <u>black</u>
With flowers and my love both never to come back
I see people turn their heads and quickly look away
Like a newborn baby, it just happens everyday

I look inside myself and see my heart is <u>black</u>
I see my <u>red</u> door and must have it painted <u>black</u>
Maybe then I'll fade away and not have to face the facts
It's not easy facing up when your whole world is <u>black</u>

No more will my **green** sea go turn a deeper **blue**I could not foresee this thing happening to you
If I look hard enough into the setting sun
My love will laugh with me before the morning comes

I see a <u>red</u> door and I want it painted <u>black</u>
No colors anymore, I want them to turn <u>black</u>
I see the girls walk by, dressed in their summer clothes
I have to turn my head until my darkness goes

Hmm, hmm, hmm...

I wanna see it painted, painted <u>black</u>

<u>Black</u> as night, <u>black</u> as coal

I wanna see the sun blotted out from the sky

I wanna see it painted, painted, painted <u>black</u>

Yeah!

Hmm, hmm, hmm...
