

Question Words Interactive Worksheet

Fill in this worksheet at the same time as watching the video on question words in English. Use the answer guide to check your answers.

Complete the table below. In the first column you can see the question word. In the second column, you should write the situation in which each question word is used. In the third column, you should write an example question. The first one has been done for you.

Question Word	Situation	Example
Who?	Person	Who is that? She is Mary, my sister
What?		
Where?		
When?		
Why?		
Which?		
How often?		
How?		
How much? How many?
