

Around the House

Curtain

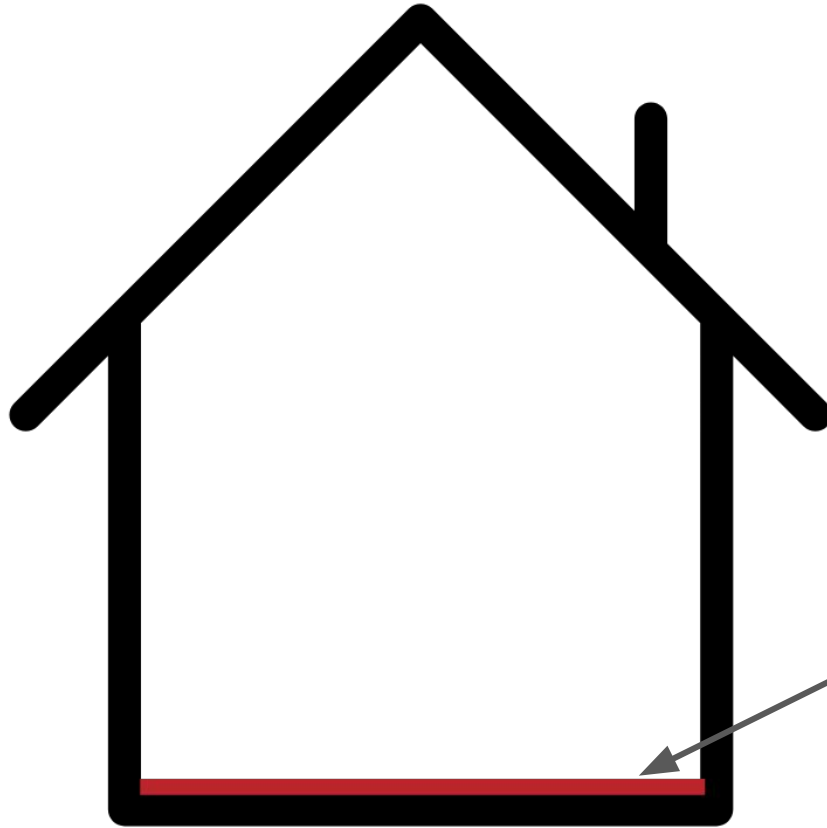

This is a **curtain**. It is normally on a window.

Floor

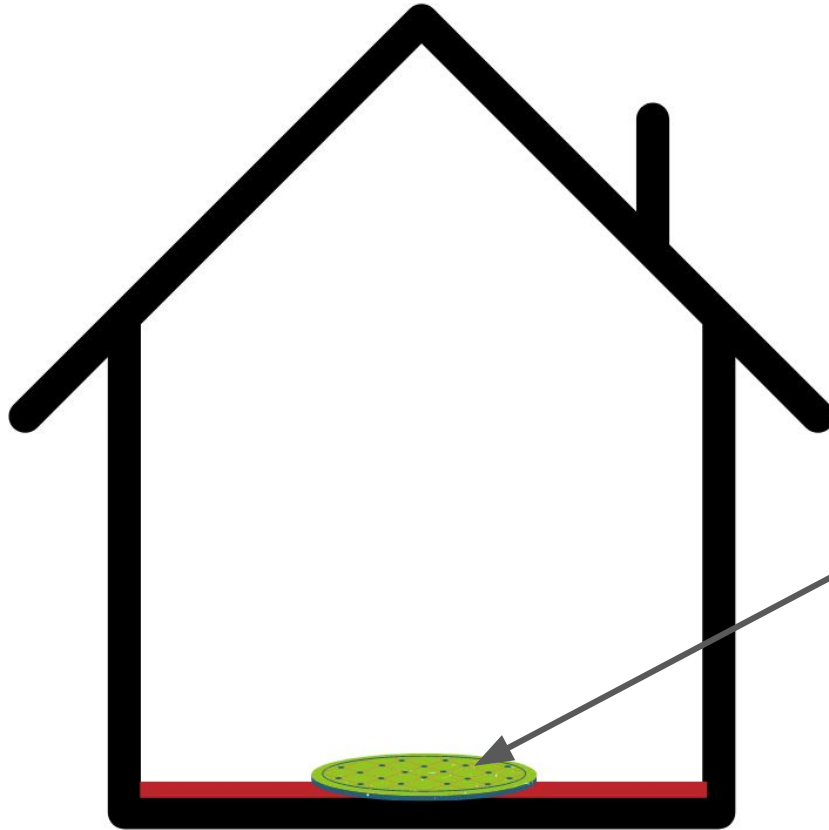

The **floor** is the part
you stand on

Carpet

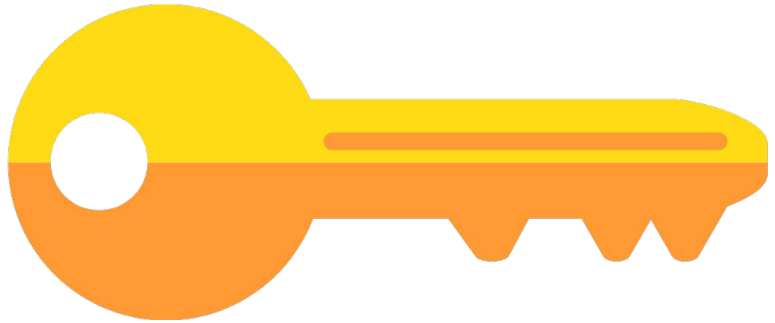

If there is a material on the floor that is soft, this is a **carpet**. A carpet is material in an entire room.

Rug / Mat

If the material is small
and you can move it,
this is a **rug** or a **mat**
instead

Key

To open and close your house, you need a **key**.
This goes inside the door.

Furniture

Furniture is a word to describe all the practical objects inside a room. You can move furniture.
