### EXERCISE A

Select the correct sentence below.

- ☐ The present continuous tense always requires the auxiliary verb to do
- ☒ **The present continuous tense always requires the auxiliary verb to be**
- ☐ The present continuous tense uses both the verbs to be and to do as the auxiliary verb

### EXERCISE B

Select the correct sentence below.

- ☐ The present simple tense always requires the auxiliary verb to do
- ☐ The present simple tense always requires the auxiliary verb to be
- ☒ **The present simple tense uses both the verbs to be and to do as the auxiliary verb**

### EXERCISE C

Fill the gaps with the correct auxiliary verbs and explain why this is the correct auxiliary verb.

- 1) **Do** you have any sisters?

The present simple tense is required and there is another verb (have) so we need the auxiliary verb to do.

- 2) **Is** he watching the TV?

The present continuous tense is required because there is a present participle (ING), so this is the auxiliary verb to be.
