

Medicine Interactive Worksheet

Fill in this worksheet at the same time as listening to the audio between Peter and Katy talking about medicine. Use the answer guide to check your answers.

Match the illnesses to the treatments that Katy recommends.

To have a cold	Drink hot water with honey and lemon, don't talk
To have a cough	Sleeping, drink water, take medicine
To have stomach ache	Go to the dentist, eat healthily, brush your teeth
To have toothache	Use a plaster/bandage, go to the hospital for an X-ray
To have a temperature	Rest in bed, use an ice-pack
To hurt one's arm	Take painkillers, get rest
