After you go  
I can catch up on my reading  
After you go  
I'll have a lot more time for sleeping  
And when you're gone looks like  
things  
Are gonna be a lot **easier**  
Life will be a breeze you know  
I really should be glad

But I'm **bluer** than blue  
**Sadder** than sad  
You're the only light  
This empty room has ever had  
Life without you is gonna be  
**bluer** than blue

After you go  
I'll have a lot more room in my closet  
After you go  
I'll stay out all night long if I feel like it  
And when you're gone  
I can run through the house screaming  
And no one will ever hear me

I really should be glad

But I'm **bluer** than blue  
**Sadder** than sad  
You're the only light  
This empty room has ever had  
Life without you is gonna be  
**bluer** than blue

I don't have to miss no TV shows  
I can start my whole life over  
Change the numbers on my telephone  
But the nights will sure be **colder**

And I'm **bluer** than blue  
**Sadder** than sad  
You're the only light  
This empty room has ever had  
Life without you is gonna be  
**bluer** than blue

**Bluer** than blue  
**Bluer** than blue
