

Common Mistakes

Let's take a look at the most common mistakes that learners make with the superlative form.

I am happiest person alive

Forgetting the word THE

I am the happiest person alive

She has the most biggest house
I have seen

Using two forms of the
superlative

She has the biggest house I have
seen

She is the beautifulest person in the class

Using the EST rule too much

She is the most beautiful person
in the class
