

Time Expressions

As you now know, most time expressions use a preposition of time. But not every single time expression uses a preposition.

The following expressions DO NOT need
a time preposition.

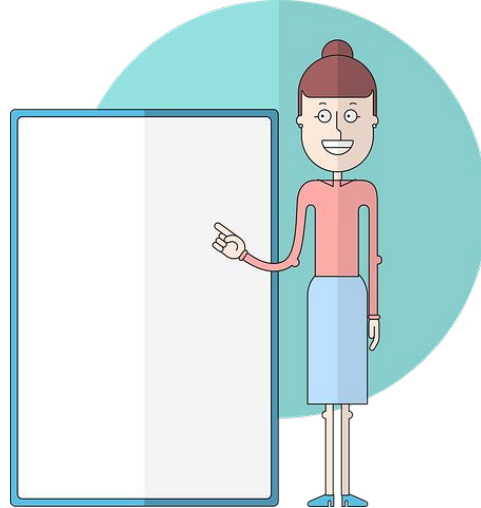

YESTERDAY

Yesterday, we went to the city.

TOMORROW

We have English class **tomorrow**.

TODAY

I am studying **today**.

LAST + TIME PHRASE

Last week I went to the supermarket.

NEXT + TIME PHRASE

Next summer, I will travel to France.

THIS + TIME PHRASE

This week, I will buy a puppy.

EVERY + TIME PHRASE

I brush my teeth **every day**.
