

## Common Mistakes

Let's take a look at the most common mistakes that learners make with the comparative form.

She is happier me

Forgetting the word THAN

She is happier than me

Your house is bigger than mine

Using THAT instead of THAN

Your house is bigger than mine

My house is father from the city than  
yours

Misspelling FARTHER

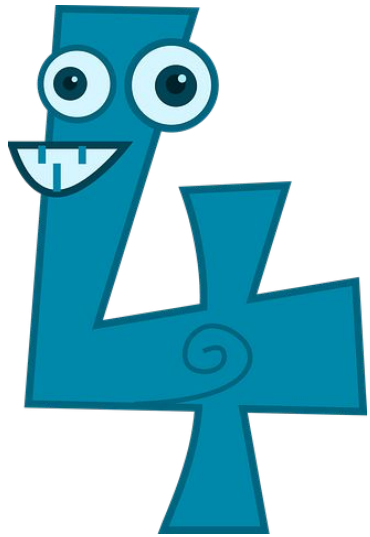

My house is farther from the city  
than yours

I'm gooder at maths than English

# Forgetting irregular adjectives

I'm better at maths than English

This sofa is more comfortable than the  
chair

Mixing the comparative rules

This sofa is more comfortable  
than the chair
