

If I am hungry this  
afternoon...

If somebody doesn't  
understand me in class...

Unless I study English  
every day ...

As soon as I finish this  
class ...

If I fall ill later this week ...

So long as I have my  
family ...

As long as I have a job, ...

If I don't eat something  
today...

If it's too hot in my house

...

I will miss my friends and  
family ...

If my phone rings during  
an important meeting...

Unless I have a sleep ...

If it rains later today ...

If I don't understand this  
topic ...

If I go to the cinema  
tonight ...

I will be very upset ...

If I work hard in life ...

Unless I do lots of  
studying...

As long as I continue  
doing exercise...

If somebody robs my  
house...
