

Prepositions of Time

There are three main prepositions in English that reflect a time. These are IN, ON and AT. They are each used in very specific situations.

IN	ON	AT
<ul style="list-style-type: none">• Years In 2020• Months In August• Decades In the 80s• Centuries In the 1900s• Eras In the Ice Age• Periods of time In 3 weeks In the past In the present• Seasons In spring• Times of the day In the morning In the afternoon	<ul style="list-style-type: none">• Days On Monday• Dates On 24th July• 1 day specific even On my birthday On Christmas Day	<ul style="list-style-type: none">• Time At 4pm• Specific time of the day At midday At midnight At dawn At dusk• Mealtimes At lunch• Holiday period (longer than 1 day) At Christmas

EXCEPTIONS

At the weekend
At night
