

Learn, Study and Teach

# Learn, Study and Teach

**Teach** is used when you explain or provide information about a topic or subject.

*I teach maths.*

# Learn, Study and Teach

**Study** is used for the first time you receive information about a subject/topic. (i.e. new information) This could be done by reading, watching videos, listening to a teacher.

*I am studying the present tense in English.*

# Learn, Study and Teach

**Learn** is the process after studying, when you fully understand and have knowledge of a topic or subject.

*I have now learnt the present simple tense  
in English.*
