

Although it is raining
outside...

I don't like ice-cream,
however, ...

I'm really tired, however ...

I have so much to do,
however,

Although it was
expensive ...

Although I don't earn
millions ...

I work hard, however ...

I finished making dinner,
however ...

Although it was so hot ...

It was so cold, however, ...

Although I don't have
much free time ...

Although I'm good at my
job ...
