Lying in my bed, I hear the clock tick and think of  
you  
Caught up in circles  
Confusion is nothing new  
Flashback, warm nights  
Almost left behind  
Suitcase of memories  
Time after

Sometimes you picture me  
I'm walking too far ahead  
You're calling to me, I can't hear  
What you've said  
Then you say, "go slow"  
And I fall behind  
The second hand unwinds

If you're lost you can look and you will find me  
Time after time  
If you fall, I will catch you, I'll be waiting  
Time after time  
If you're lost, you can look and you will find me  
Time after time  
If you fall, I will catch you, I will be waiting  
Time after time

After my picture fades and darkness has  
Turned to gray  
Watching through windows  
You're wondering if I'm okay  
Secrets stolen from deep inside  
And the drum beats out of time

If you're lost you can look and you will find me  
Time after time  
If you fall, I will catch you, I'll be waiting  
Time after time

You say, "go slow"  
And I fall behind  
The second hand unwinds

If you're lost you can look and you will find me  
Time after time  
If you fall, I will catch you, I'll be waiting  
Time after time  
If you're lost, you can look and you will find me  
Time after time  
If you fall, I will catch you, I will be waiting  
Time after time

Time after time ...
