

Personally, I think that

I strongly believe that

I feel that

In my honest opinion

My personal opinion is that

In my own personal experience

As far as I'm concerned

Speaking for myself

If you ask me

From my point of view

# What I mean is

# What I'm trying to say is

I agree with you entirely

You're absolutely right!

I think so too

That's a good point

I don't think so either

I feel the same way

That's a very valid point

I think what you said is true

I'm afraid I have to disagree

I don't agree with you

# On the contrary

# I see your point, but

# With all due respect

# No offense, but

# Let's agree to disagree

# I don't share your opinion
