

I have eaten a lot of food

He can't be seen

I left the house and it
started raining

We appreciate the views

It was a delicious meal

He received the award

He is happy

My car broke down

She realised it was a
stupid comment

He had no idea we would
never see each other again

This is a reliable website

I understood what happened
when he explained it to me

We finally cleaned our
room

I can't see the sign that says
it's forbidden to park here

It's very quiet outside

I refuse to take this job

I won't miss your football
match

I don't smoke and I don't
drink

I finished my dinner then
she arrived home

This house is so beautiful
