

## The Sea Conversation

---

1. Do you like the sea? Do you go in the sea when you visit the beach?
2. Do you eat fish and seafood? If so, what do you like?
3. Have you ever had a pet fish? Would you like to?
4. What do you think about aquariums?
5. Have you ever seen a dolphin / shark / whale?
6. Would you ever like to live on a houseboat? Why/not?
7. What can we do to protect the sea?
8. Have you ever been snorkelling or scuba-diving before? If so, describe your experience
9. Would you ever be able to live on a submarine or on a boat at sea? Why/not?
10. What do you think we can do to prevent plastic from getting into our oceans?
11. Are you afraid of any sea animals? If so, which ones and why?
12. Why do you think so many people are scared of the sea?
13. Have you ever been stung by a jellyfish before? If so, what happened?
14. Do you enjoy going on a boat to see the sea?
15. Have you ever taken pictures underwater before? If so, how did they turn out?
16. Could you ever be a lifesaver? Why/not?
17. Can you swim? Do you enjoy swimming? When did you learn to swim?
18. Which oceans or seas are near you? Have you visited them before?
19. Have you ever been fishing before? If not, would you like to? What impact do you think fishing has on the environment?
20. Have you been in a river before?
