Writing

QUESTION 1

Imagine your town is planning to build a new playground. You have been asked to write a report for the town council explaining your ideas. Include:

1. A description of the playground layout and equipment (slides, swings, climbing frames, sandpit, trampoline, etc.).
2. Reasons why these facilities are suitable for children of different ages.
3. Your opinion about the importance of safe and fun outdoor play.

QUESTION 2

Write an informative article for a school magazine explaining how a specific part of the human body works. You could focus on:

- The heart and circulation system
- The lungs and breathing
- The digestive system
- Muscles and movement

Include:

1. Clear explanation of the system or organ.
2. Key functions and how it helps the body stay healthy.
3. Interesting facts or tips for keeping it in good condition.

QUESTION 3

Write an essay discussing whether schools should teach students about money management. Include:

1. Your opinion clearly at the start.
2. Arguments supporting your opinion (e.g., budgeting, saving, avoiding debt).
3. Possible counterarguments and your rebuttal.
4. Real-life examples or suggestions.
