

I practise

my English

every day

in order to
improve

We spoke

quietly

so we didn't
wake the baby

They'll play

outside

later

I attend

classes

weekly

He will be able

to speak
French

soon

He shouts

loudly

sometimes

He went

to the gym

to do some
exercise

Kids watch TV

too often

nowadays

The dog waited

patiently

nearby

I'm doing the
washing

now

so I can relax
later
