Around the House

I'm Zoe. Welcome to my living room! In my living room, I have a big pink sofa with lots of cushions on it. I have a small coffee table here and there is a book on top of my coffee table too. I have one small bookshelf to keep my books, but I have lots of books. I really need to buy a bookcase! I also have a very big television to watch films and DVDs. Sometimes it is cold in my living room and I don't have a blanket to keep me warm.

Around the House

I'm William and you are in my living room. I don't have a sofa in my living room, just a wooden chair. I work very long hours so I don't spend a lot of time in my living room. I have a big bookcase to store all my books for work. I love reading books! I also have a television on a small table so I can watch my favourite TV programmes. The light in my living room is not very good, so I have a big red lamp that I turn on when I read. My living room is very small.

Around the House

I'm Emma and I am now in my living room/ dining room. Both of these rooms are connected in one big room. In the middle of my living room is a comfortable grey sofa, but it doesn't have any cushions or a blanket. I don't like the carpet in my living room, so I have a big black and white rug so it looks nice. I don't have a coffee table, because my dining room table is very close to the sofa, so I can put my cup of tea on my dining room table instead. There are lots of chairs in my dining room/living room too. I have eight chairs, so there is lots of space for my family and friends to sit when they visit me.
