We are Max and Joanne. We have a very big house in London. On the ground floor there is a kitchen, a living room/dining room (one room together) and we have a nice garden outside too. On the first floor, we have one bedroom, one office and one bathroom and on the second floor there is a spare bedroom for all our guests. Our favourite room is the living room because we have three nice comfortable sofas with lots of cushions and blankets and there is a big black and white rug on the floor to cover the brown carpet. We have a big TV and also a mini-gym in the corner of the living room so we can do exercise to be fit and healthy! We love our house!
