Physical Descriptions

Hi everyone! I'm Hannah and I'm the founder of Virtually Fluent. I'm quite a short person, the same as my mum. At school, when I was a child, I was very tall, but then I stopped growing and now I'm short! I'm not thin, but I have a good body because I eat healthy food and do some exercise. I'm not well-built though, I need to do a lot more exercise to be well-built.

I usually have short blonde hair, it rests on my shoulders, but I haven't cut my hair in a long time, so now it is very long! My hair is always straight though and I have been blonde all my life. I'm a natural blonde! In the summer I have lots of freckles on my face too. I have blue eyes. I wear contact lenses, but at night before I sleep I take out my contact lenses and wear my black glasses.
